

Staffordshire Wood Fuel

Staffordshire Wood Fuel extends an invitation to a workshop to consider

Biomass – an Introduction to the Opportunities

An introduction to the principles of biomass heating,
wood fuel supply and handling.

What you need to consider and potential pitfalls,
including an opportunity to see the new biomass installation
and mini district heating system at Marquis Drive.

Thursday 22nd July 2010
9.15am – 12.10pm

To be held at:
Marquis Drive Visitor Centre,
Marquis Drive, Cannock Chase, Stafford

Workshop funded by
